

Looking for a safer way to kill weeds?

United 285

X-EMPT

Bio-Based Herbicide

Weed before treatment.

Fast desiccation shown after 2 hours.

X-EMPT is a total weed killer:

- Made with 99% GRAS Ingredients (Generally Recognized as Safe by FDA)
- Made with Food Grade Ingredients
- 100% Bio-based
- Earth Smart® Certified
- Safer to Use

This botanical post emergent acts as a desiccant. Spray weeds thoroughly and X-EMPT goes to work pulling all of the moisture out of the plant to kill it off.

Safer for use around:

- Schools
- Playgrounds
- Recreational Fields
- Apartment Complexes

X-EMPT is:

- X-EMPT from standard U.S. EPA Registration
- X-EMPT from Harsh Chemicals
- X-EMPT from VOC's
- X-EMPT from Danger to People
- X-EMPT from Weed Survival

X-EMPT is safer for people, but deadly for weeds. Broadleaf to narrow leaf, dandelions to grasses, X-EMPT will work to eliminate your weeds.
