HARVEST GOLD is a revolutionary solvent for removing tar, asphalt, road oil and grease from road equipment, vehicles, storage tanks and machinery.

Do not allow the **HARVEST GOLD** to dry on the surface, but hose away with water after it has dissolved the tar and other soil. If used according to directions **HARVEST GOLD** will not streak painted surfaces in good condition. Heavy encrustations may require a second application.

Manufactured and Printed in U.S.A. 412

 1-800-323-2594 • www.unitedlabsinc.com

CAUTION:
 Avoid contact with eyes. Harmful if swallowed.

EMERGENCY AND FIRST AID PROCEDURES:

EYES: Flush with plenty of cool water for at least 15 minutes. Call a physician or poison center.

SKIN: Wash with soap and plenty of water. If irritation develops, call a physician or poison center.

INHALATION: Move victim to fresh air. Call a physician or poison center. If not breathing, give artificial respiration.

INGESTION: DO NOT induce vomiting. Call a physician or poison center immediately. If vomiting occurs have victim lean forward to reduce risk of aspiration.

For food plant and other industrial use, avoid contamination of food in the application and storage of the product. Do not use in food handling areas.

An MSDS for this product is available through United's website, www.unitedlabsinc.com, providing 24 hour access. Please read the MSDS carefully and follow all directions when using or handling this product. Never reuse empty containers. Incompatible materials may adversely react.
