

UNITED

L A B O R A T O R I E S

United 36 ESA Concrete Remover and Masonry Equipment Cleaner is a versatile product that quickly and safely removes concrete, stucco, plaster and lime residue from all types of vehicles and heavy and light equipment. It also removes scale, hard water deposits and rust.

United 36 ESA Concrete Remover and Masonry Equipment Cleaner features Earth Smart® Acid Technology:

- That is much milder to steel and aluminum than traditional acids used in concrete removal products.
- That is far safer than traditional concrete removal products containing muriatic/hydrochloric acid.
- That is non-flammable.
- That is phosphate-free and contains no VOCs.

DIRECTIONS FOR USE:

HEAVY DUTY CLEANING AND DE-LIMING: Dilute 5:1 with water and apply to surfaces. Let stand for 3 to 5 minutes but do not let surface dry out. Rinse thoroughly. Use at higher concentrations for badly neglected surfaces or those with heavy layers of fully cured concrete.

REGULAR CLEANING AND MAINTENANCE: Dilute 10:1 with water and apply to surfaces with brush, sprayer or high pressure washer. Let stand for 5 to 10 minutes and rinse thoroughly.

CAUTION:

This product is corrosive to the eyes. It can cause skin irritation. Harmful if swallowed. Do not mix with other chemicals or cleaners as toxic fumes may be formed.

EMERGENCY AND FIRST AID PROCEDURES:

EYES: Flush with water for at least 15 minutes. Hold eyelids apart to ensure thorough rinsing of the entire surface of the eye and lids with water. Call a physician or poison control center immediately.

SKIN: Wash with soap and water and remove contaminated clothing. If irritation persists, call a physician or poison control center.

INHALATION: Remove to fresh air. Apply CPR, if needed. Call a physician or poison control center immediately.

IF SWALLOWED: DO NOT INDUCE VOMITING. Call a physician or poison control center immediately. Drink 3-4 glasses of water. If vomiting occurs, give fluids. Never give anything by mouth to an unconscious person.

DO NOT USE THIS PRODUCT on galvanized, magnesium or similar surfaces. Always pre-test unknown surfaces for compatibility before using.

An MSDS for this product is available through United's website, www.unitedlabsinc.com, providing 24 hour access. Please read the MSDS carefully and follow all directions when using or handling this product. Never reuse empty containers. Incompatible materials may adversely react.
