SMART SOLVE® Tar Remover solves the problems inherent in the clean up of tar, asphalt, road oil and grease from road equipment, vehicles, storage tanks and machinery. The patented composition which is substantially free of volatile organic compounds, specifically targets these often tough to handle issues, while being safer in use for both you and the environment.

SMART SOLVE® is:

- Earth Smart® Certified
- Bio-Based - From Vegetable Extract
- NPE-Free • VOC-Free • Petroleum Distillate Free
- Non-Toxic, Non-Caustic, Non-Corrosive, Non-Acid
- Free of Chlorinated Hydrocarbons

DIRECTIONS:

When using **UNITED 603 SMART SOLVE® Tar Remover** to remove tar and road oil from equipment, it is important that the equipment to be cleaned be out of direct sunlight. Hot metal surfaces should always be hosed down with water before applying **SMART SOLVE® Tar Remover**.

Spray **SMART SOLVE® Tar Remover** on surface to be cleaned and allow time to penetrate soils. Do not allow **SMART SOLVE® Tar Remover** to dry on the surface, but hose away with water after it has dissolved the tar and other soil. If used according to directions **SMART SOLVE® Tar Remover** will not streak painted surfaces in good condition. Very heavy encrustations may require a second application.

HANDLING AND STORAGE: Keep containers tightly closed when not in use. Store in a cool, dry, well ventilated area away from sources of ignition. This product may solidify when stored below 35°F and may affect the performance. Allow to sit at room temperature before using product to ensure best product performance.

PRECAUTIONS: Always use product in a well ventilated area. Avoid contact with eyes, skin and clothing. Wear gloves and safety glasses when handling or using this product. Wash thoroughly after handling. Do not ingest.

EMERGENCY AND FIRST AID PROCEDURES:

EYES: Immediately flush eyes with water for at least 15 minutes while holding eyelids open. If irritation persists, get medical attention.

SKIN: Wash with soap and plenty of water. If symptoms develop, seek medical attention. United 764 MICROMOUSSE Alcohol Free Hand Sanitizing Foam is recommended for removing any residual that may be on the skin.

INHALATION: Remove to fresh air. If symptoms develop, seek medical attention. If not breathing, give artificial respiration.

INGESTION: DO NOT induce vomiting. Get medical attention immediately. If vomiting occurs, have victim lean forward to reduce risk of aspiration.

An MSDS for this product is available through United's website, www.unitedlabsinc.com, providing 24 hour access. Please read the MSDS carefully and follow all directions when using or handling this product. Never reuse empty containers. Incompatible materials may adversely react.
