Responsible Innovation™ - **SOLAR GOLD Tar Remover** harnesses the power of nature's resources to provide a bio-based blend that is uniquely suited for breaking through road oil, tar, asphalt and grease. Cleans road equipment, vehicles, storage tanks and machinery.

- NPE-Free.
- Non-caustic.
- Non-corrosive.
- Contains no petroleum distillates.
- Contains no chlorinated hydrocarbons.

When using **SOLAR GOLD Tar Remover** to remove tar and road oil from equipment, it is important that the equipment be out of direct sunlight. Hot metal surfaces should always be hosed down with water before applying **SOLAR GOLD**.

Do not allow the **SOLAR GOLD Tar Remover** to dry on the surface, but hose away with water after it has dissolved the tar and other soil. If used according to directions **SOLAR GOLD** will not streak painted surfaces in good condition. Very heavy encrustations may require a second application.

For food plant and other industrial use, avoid contamination of food in the application and storage of the product. Do not use in food handling areas.

Tar Remover

KEEP OUT OF REACH OF CHILDREN.

CAUTION

SEE SIDE PANEL FOR ADDITIONAL PRECAUTIONARY STATEMENTS.

PRECAUCION AL USARIO:

Si usted no puede leer Ingles, pregunte a alguien que le traduzca esta etiqueta para usted antes de uso.

Manufactured and Sold Exclusively By:
UNITED LABORATORIES, INC.
320 37th Avenue • St. Charles, IL 60174
1-800-323-2594 • www.unitedlabsinc.com

CAUTION

Contains d-1,8 (9)-p-Menthadiene (CAS #5989-27-5). **SOLAR GOLD Tar Remover** is combustible and should be stored in a cool place away from exposure to extreme heat and open flames. It may ignite and burn on heating above 135°F (57°C). Product may catch fire in use. Rags soaked with **United 632** may spontaneously combust: to avoid this danger, used rags should be soaked with water and/or stored in a container full of soapy water.

Harmful if swallowed. Avoid eye and skin contact.

EMERGENCY AND FIRST AID PROCEDURES

EYES: Flush with plenty of tepid water for at least 15 minutes while holding eyelids open. Call a physician or poison control center immediately.

SKIN: Wash with soap and water. If irritation persists, call a physician or poison control center.

INHALATION: Remove to fresh air. Apply CPR if needed. Call a physician or poison control center immediately.

INGESTION: DO NOT induce vomiting. Call a physician or poison control center immediately.

An MSDS for this product is available through United's website, www.unitedlabsinc.com, providing 24 hour access. Please read the MSDS carefully and follow all directions when using or handling this product. Never reuse empty containers. Incompatible materials may adversely react.
