

**MICROBIO-STRIP United 523** produces a continuous release of an active ingredient that controls fouling and inhibits the growth of slime forming and odor causing bacteria. Not for heat vaporizing or atomizing type vaporizer/humidifier.

#### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**FOR USE IN AIR CONDITIONER DRIP PANS:** Place **MICROBIO-STRIP United 523** in air conditioning drip pan. Replace **MICROBIO-STRIP United 523** when piece inside mesh is completely dissolved. Wash thoroughly with soap and water after handling. **RECOMMENDED USAGE:** Use one large strip for up to 10-15 ton units. Use multiple strips in appropriate proportions for units larger than 15 tons.

#### STORAGE AND DISPOSAL

**Storage and Disposal:** Do not contaminate water, food or feed by storage or disposal.

**Storage:** Store in a cool, dry place.

**Pesticide Disposal:** To avoid waste, use all material in this container by application according to label directions. If wastes cannot be avoided, offer remaining product to a waste disposal facility or pesticide disposal program. Dispose of empty mesh bag in trash or sanitary landfill.

**Container Handling (box):** Non-refillable container. Do not reuse or refill this container. Offer for recycling if available or dispose of in trash or in a sanitary landfill.

### PRECAUTIONARY STATEMENTS HAZARDS TO HUMAN AND DOMESTIC ANIMALS

## DANGER

Corrosive. Causes irreversible eye damage and skin burns. Do not get in eyes, on skin, or on clothing. Wear goggles, protective clothing, and rubber gloves when handling. Harmful if swallowed. Thoroughly wash with soap and water after handling and before eating, drinking, or smoking tobacco. Remove contaminated clothing and wash before reuse.

#### FIRST AID

**If in Eyes:** Hold eye open and rinse slowly with plenty of water for 15-20 minutes. Remove contact lense, if present, after the first 5 minutes, then continue rinsing eye.

**If on Skin or Clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

**If Swallowed:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless instructed to do so by poison control center or doctor. Do not give anything by mouth to an unconscious person.

Have product container or label with you when calling poison control, doctor, or going for treatment advice.
