

UNITED

LABORATORIES

United 143 is a uniquely formulated product with a blend of effective dry and wet cleaning compounds and degreasers that quickly remove spots and stains caused by: grease, oil, dirt, mud, salt, ketchup, coffee, alcoholic beverages, soft drinks, chocolate, urine, blood* and vomit*. Penetrates and cleans without leaving residue. Brightens as it restores nap and texture. *Wear gloves.

DIRECTIONS:

Shake well before using. Always spray upside-down only. This product must be sprayed with the container pointed downward. Check for color-fastness and damage. Aim can downwards at spot or stain to be removed, with can held at arms length. Apply product in short bursts until spot or stain is thoroughly wetted. Allow a short period of time for spotter to penetrate stain. Blot spot with a clean cloth working from center of stain out. Stain or spot will be gone in seconds. Excessive deposits of grease, oil or ink may require additional application. Do not scrub with any harsh brushes or scrubbing tools, as damage may result. Allow to dry thoroughly after cleaning.

Always test carpet in a small, inconspicuous area for color-fastness and damage to fiber backing as carpeting quality varies widely. Do not use on white or light colored carpet. Do not use with any other stain or odor removing chemicals.

Contains (CAS#): Water (7732-18-5), 2-Butoxy Ethanol (111-76-2), Propane/n-Butane (68476-86-8), Isopropyl Alcohol (67-63-0), Diethylene Glycol Monobutyl Ether (112-34-5).
