SUN-IN Carpet Shampoo Concentrate is a bio-based, Earth Smart® Certified carpet cleaning solution that provides a Green solution to keep your carpets clean, fresh and safe.

- Specifically-targeted enzymes and tough surfactants cut through soils built up in carpet fibers.
- Concentrated formula provides economy at use dilutions.
- United's Sunshine scent leaves carpets smelling clean and fresh with a light, botanical fragrance.

This Earth Smart® Certified formulation assures a safer product in use for the user, anyone who comes in contact with the carpet after its use and of course, for the environment.

- No hazardous components.
- No VOCs.
- NPE-Free.
- At use dilution, non-toxic formula assures safety for workers, customers, patients and students.
- Separation Technology helps wash water stay cleaner, longer.

DIRECTIONS FOR USE:

Remove all possible furniture from area. Vacuum rug thoroughly to remove all loose soil. Place wax paper or aluminum foil under legs of furniture that cannot be removed, to prevent rust spots from forming. Do not allow shampooer to rest on carpet; always move shampooer off the carpet or place a plastic mat under it while refilling tank, or performing operations away from the shampoo equipment.

Extraction Machine Application: In solution tank of extraction machine pour five (5) ounces of **SUN-IN** for each gallon of warm water. Lightly mist the carpet, then extract the solution and soil residue. Remove as much moisture as possible from the carpet fibers by repeating the extraction.

SUN-IN Carpet Shampoo Concentrate

**KEEP OUT OF REACH OF CHILDREN.

PRECAUCION AL USARIO:

Si usted no puede leer Ingles, pregunte a alguien que le traduzca esta etiqueta para usted antes de uso.

Manufactured and Sold Exclusively By:
UNITED LABORATORIES, INC.
320 37th Avenue • St. Charles, IL 60174
1-800-323-2594 • www.unitedlabsinc.com

DIRECTIONS FOR USE: (continued)

For Dry Buffing Application: This product can also be used as a dry buff using a dilution of 1 part **SUN-IN** to 10 parts water.

Safe for use on all fabrics that will not shrink or fade. Always test for color fastness of carpet material in an inconspicuous area before doing full cleaning.

EMERGENCY AND FIRST AID PROCEDURES:

EYES: Flush with cool water for at least 15 minutes while holding eyelids open. Call a physician or poison center.

SKIN: Wash with soap and plenty of water. If irritation persists, call a physician or poison center.

INHALATION: Remove patient to fresh air. If irritation persists, call a physician or poison center.

INGESTION: DO NOT induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. Call a physician or poison control center immediately.
