Aerosol Safety Solvent

Contains NO Carbon Tetrachloride or 1,1,1-Trichloroethane

- Meets Standard Spec. ASTM D4080-96
- Leaves no residue. Quick drying.
- Dielectric Strength of 30kV (or 30,000 Volts)
- Powerful Flushing Action

USES

- Air compressors
- Generators
- Power tools and other electrical equipment.
- Alternators
- Electric motors

Removes grease, dirt, oil, printing ink, tar, grime, adhesive, and resins.

Will not harm most metals and painted surfaces.

Will not short electrical motors, generators or other electrical equipment.

Do not use on plastics.

Electric motors and generators may be cleaned while in use, when used in properly ventilated areas.

Energized Equipment use only.

Not to be used for motorized vehicle maintenance, or their parts.

DIRECTIONS:

Spray surface with a heavy wet spray but do not allow to pool on metal. Use force of spray to loosen soil. Wipe clean.

WARNING:

Contains Trichloroethylene (CAS # 79-01-6) and Carbon Dioxide (CAS # 124-38-9).

CAUTION:

Intentional misuse by concentrating and inhaling the product can be harmful or fatal. Prolonged inhalation may be harmful. Do not get this material in contact with eyes or skin. Contains Trichloroethylene, which may cause cancer depending on duration and level of exposure. Keep away from heat, sparks and flames. Do not puncture, incinerate or crush. Do not expose to heat or store at temperatures above 120°F (49°C) as container may burst. Avoid prolonged exposure to sunlight. Use with adequate ventilation.

EMERGENCY AND FIRST AID PROCEDURES:

EYES: Immediately flush eyes with plenty of water for at least 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical attention if irritation develops or persists.

SKIN: Wash off with warm water and soap. Get medical attention if irritation develops or persists.

INHALATION: Move to fresh air. Oxygen or artificial respiration if needed. Do not use mouth-to-mouth method if victim inhaled the substance. Call a physician if symptoms develop or persist.

INGESTION: If material is ingested, immediately contact a poison control center. Rinse mouth. Do not induce vomiting without advice from poison control center. If vomiting occurs naturally, have victim lean forward to reduce risk of aspiration.

An MSDS for this product is available through United's website, www.unitedlabsinc.com, providing 24 hour access. Please read the MSDS carefully and follow all directions when using or handling this product.

WARNING: This product contains a chemical known to the State of California to cause cancer.
