- NON-TOXIC: NON-ACID, NON-CAUSTIC, NON-CHLORINATED...CONTAINS NO PETROLEUM DISTILLATES
- READILY BIODEGRADABLE
- VERY HIGH FLASHPOINT. MAY BE HEATED TO IMPROVE CLEANING ABILITY.

DIRECTIONS:

Cleans Grimy Metal Surfaces:

Removes all tar, asphalt, grease, oil and grime from motor blocks and chassis of autos, trucks, buses and tractors quickly and economically. It is ready to use.

Simply spray **HARVEST GOLD** on the area to be cleaned using a low pressure sprayer. Allow to remain on for ten or fifteen minutes and flush away with water. Use soft bristle brush for stubborn soils if necessary. Cover any electrical contacts.

Excellent For Cars, Trucks and Buses:

HARVEST GOLD won't attack most painted surfaces, but test in an inconspicuous area first. Dirt, oil and grease are quickly removed by applying **HARVEST GOLD** using a garden sprayer or brush. Rinse with water.

Cleans Machinery Parts:

HARVEST GOLD may be used over and over again. Place parts in a tank. Allow to soak for one half hour to two hours depending upon the accumulation of grease or tar on the part. Remove parts and wash with water from a hose.

HARVEST GOLD

Water-Rinseable Universal Degreaser

KEEP OUT OF REACH OF CHILDREN.

CAUTION

SEE SIDE PANEL FOR ADDITIONAL PRECAUTIONARY STATEMENTS.

PRECAUCION AL USUARIO:

Si usted no puede leer Ingles, pregunte a alguien que le traduzca esta etiqueta para usted antes de uso.

Manufactured and Sold Exclusively By:
UNITED LABORATORIES, INC.

CAUTION:

Avoid contact with eyes. Harmful if swallowed.

EMERGENCY AND FIRST AID PROCEDURES:

EYES: Flush with plenty of cool water for at least 15 minutes. Call a physician or poison center.

SKIN: Wash with soap and plenty of water. If irritation develops, call a physician or poison center.

INHALATION: Move victim to fresh air. Call a physician or poison center. If not breathing, give artificial respiration.

INGESTION: DO NOT induce vomiting. Call a physician or poison center immediately. If vomiting occurs have victim lean forward to reduce risk of aspiration.

For food plant and other industrial use, avoid contamination of food in the application and storage of the product. Do not use in food handling areas.

An MSDS for this product is available through United's website, www.unitedlabsinc.com, providing 24 hour access. Please read the MSDS carefully and follow all directions when using or handling this product. Never reuse empty containers. Incompatible materials may adversely react.
