GENERAL INFORMATION:

UNITED 251 EARTH SMART® DIRTY FIGHTER RTU Demulsifying Degreaser is specially formulated as a ready-to-use all purpose cleaner for most industrial and institutional cleaning applications. It will penetrate even the heaviest grease and soil. **UNITED 251** is safe to use on rubber, plastic, concrete, all metals, most painted surfaces, and shows little or no corrosion on copper, aluminum and steel.

After **UNITED 251 EARTH SMART® DIRTY FIGHTER** removes grease and oil from surfaces being cleaned, the grease and oil quickly rise to the top of the cleaning solution. The grease and oil can then be quickly removed from the solution before it is discharged into the wastewater stream.

DIRECTIONS FOR USE:

FOR GENERAL CLEANING: **UNITED 251 EARTH SMART® DIRTY FIGHTER** will clean normally soiled surfaces such as walls, kitchen appliances, truck bodies, floors, etc., safely and economically.

FOR FOOD PLANT AND OTHER INDUSTRIAL USE: A potable water rinse is required on food contact surfaces before putting the equipment back into service.

This product contains no solvents.
