

UNITED

LABORATORIES

A FAST, EFFICIENT WAY TO DEODORIZE ENCLOSED AREAS:

- An immediate and dynamic solution to the musty, stale and smoky odors that penetrate any indoor area.
- Efficiently and economically deodorizes from an easy-to-use spray bottle.
- Requires no dilution before application.
- Ideal for use in offices, washrooms, hotels, locker rooms, or health care facilities.
- Instantly destroys unwanted odors using any of these fragrances:
 - **CUCUMBER MELON** for an energizing, refreshing fragrance combination that works.
 - **NEWBERRY** will remind one of picking fresh berries on a summer day.
 - **PEPPERMINT** features FRESH AIR™ Technology, providing aromatherapy benefits to refresh and energize.
 - **RAIN FOREST** for after-the-rain freshness.
 - **SUNSHINE** fragrance is reminiscent of a summer day.

DIRECTIONS FOR USE:

To obtain optimum misting, turn nozzle in trigger sprayer clockwise until fully closed, then open 1/4 turn. Apply **United 289 Spray Deodorant** lightly to absorbent materials such as draperies, curtains, rugs, upholstered furniture, etc. for long-lasting deodorization.

United 289 contains perfume oils plus **Odor Eliminator** which destroys offensive odors. If sprayed or misted into the air, apply very lightly. **United 289** is concentrated. Spray mist may cause nasal irritation if inhaled, so **United 289** is best applied when areas are unoccupied.

United 289

Spray Deodorant With Odor Eliminator

Available in CUCUMBER MELON, NEWBERRY,
PEPPERMINT, RAIN FOREST and SUNSHINE Scents

KEEP OUT OF REACH OF CHILDREN.

CAUTION

Si usted no puede leer Ingles, pregunte a alguien que le traduzca esta etiqueta para usted antes de uso.

Manufactured and Sold Exclusively By:
UNITED LABORATORIES, INC.
320 37th Avenue • St. Charles, IL 60174
1-800-323-2594 • www.unitedlabsinc.com

CAUTION:

Contains Isopropanol (CAS # 67-63-0), Ethanol (CAS # 64-17-5) and essential oils. This is a concentrate. Continuous long term contact on painted surfaces may cause an adverse reaction.

EMERGENCY AND FIRST AID PROCEDURES:

EYES: Immediately flush with plenty of water for at least 15 minutes and call a physician or poison center.

SKIN: Wash with soap and plenty of water. If irritation persists, call a physician or poison center.

INHALATION: Remove to fresh air. If symptoms develop, call a physician or poison center immediately.

INGESTION: DO NOT induce vomiting or give anything by mouth, unless otherwise directed by medical personnel. If swallowed, get medical attention immediately. Never give anything by mouth if victim is unconscious or is convulsing.

An MSDS for this product is available through United's website, www.unitedlabsinc.com, providing 24 hour access. Please read the MSDS carefully and follow all directions when using or handling this product. Never reuse empty containers. Incompatible materials may adversely react.
