

UNITED

L A B O R A T O R I E S

- Distilled from organic plant material.
- Contains no petroleum distillates.
- Contains no chlorinated hydrocarbons.
- Non-caustic.
- Non-corrosive.
- Eliminates slime and grease build-up that causes nasty odors.

DRAIN MAINTAINER: United 394 used in a weekly drain maintenance program will keep drains free running and sanitary. Weekly, add 3 to 4 ounces (90 to 130 mL) of **United 394** to each drain. Let stand for 5-10 minutes, and then flush drain with hot water, for 2 or 3 minutes. If drain is slow running, repeat the regular maintenance dose every two or three days, until drain is free running.

When using a metering pump with this product, you must use Viton® tubing.

GARBAGE AND REFUSE HAULERS: United 394 is the ideal cleaner for garbage trucks, dumpster dumpers, refuse cans and garbage dumps. Mix 1 part **United 394** with 30-35 parts warm water. Spray the solution on dirty and odorous surfaces. Let stand for 2-3 minutes. If necessary, agitate surface with a stiff bristle brush and then hose off with clean water.

AG CANADA: "Avoid contamination of food in the application of the product" and "for use in non-food handling areas".
