

DIRECTIONS FOR USE:

ATTENTION: Wear acid-resistant FACE SHIELD, APRON, and GLOVES. Product could react violently with some materials, causing gases & hot acid to spray back out of drain. Never use product in drains after, with, or before hot water, other drain openers, or other chemicals. Do not add water to acid. Do not pour into standing water or a completely stopped drain. Never use with plunger. Empty entire contents into drain and quickly cover opening with a deep container to shield against any splashback. Refasten cap tightly on empty bottle, wrap in several layers of paper, and discard in trash. Wait 15 minutes, then clear drain of acid by flushing with a large amount of cold water. Repeat treatment if necessary.

Quickly dissolves organic obstructions such as grease, paper, hair, rags, sanitary napkins, soap, and coffee grounds in drains of SINKS and DRAINS.

COMPOSITIONAL INFORMATION

DANGER: Contains: Sulfuric acid (CAS # 7664-93-9) and Mineral Spirits (CAS # 64741-65-7).

BEST SHOT One Dose Drain Opener With Odor Suppressor

 **DANGER-POISON** 
**CAUSES SEVERE BURNS. MAY BE FATAL OR CAUSE
PERMANENT DAMAGE IF SWALLOWED.**

*PRECAUCION AL USUARIO: Si usted no puede leer Ingles, pregunte
a alguien que le traduzca esta etiqueta para usted antes de uso.*

CONTAINS CONCENTRATED SULFURIC ACID (CAS # 766-93-9).
KEEP OUT OF REACH OF CHILDREN. READ ALL DIRECTIONS
(CAUTIONARY INSTRUCTIONS) CAREFULLY BEFORE USING.
SEE BACK PANEL FOR FIRST AID AND OTHER INSTRUCTIONS.

PRECAUTIONS: POISON: Acid burns eyes, respiratory tract, and skin; solvent and acid vapors may be harmful if inhaled. Do not get in eyes or on skin. Use only in well-ventilated area with constant supply of fresh air. Do not take internally or contaminate foods, drinks, or feeds.

Store in upright, tightly closed original bottle in a cool, dry, locked, ventilated area inaccessible to children. Vapors are corrosive.

EMERGENCY AND FIRST AID PROCEDURES: IMMEDIATELY follow directions below, call a Poison Control Center, and get medical attention for victim. Also get immediate medical attention for any delayed ill effects.

EYES: Immediately flush with cool water for at least 15 minutes. Remove contact lenses while continuing to flush. Get medical attention. **SKIN:** Immediately flush with cool water for at least 15 minutes. Remove clothing and wash before reuse. Get medical attention. **INHALATION:** Remove patient to fresh air immediately. If patient is not breathing, apply artificial respiration. Get medical attention immediately. **INGESTION:** Call Physician or Poison Control immediately. Give lots of water to drink to dilute. **DO NOT INDUCE VOMITING.** Never give anything by mouth to an unconscious person.

An MSDS for this product is available through United's website, www.unitedlabsinc.com, providing 24 hour access. Please read the MSDS carefully and follow all directions when using or handling this product. Never reuse empty containers. Incompatible materials may adversely react.

NET CONTENTS: 1 Pint (473 mL)
