LABORATORIES

**United 577 ESA Urinal Line Renovator** is designed for regular maintenance of urinal lines. With its ultra-safe and effective Earth Smart® Acid, the product works to quickly and safely eliminate the build-up of uric acid salts that cause lines to narrow and clog. With regular use of **United 577 ESA Urinal Line Renovator**, clogs are minimized, lines run freely and odors are reduced. **United 577 ESA Urinal Line Renovator** will not fume or cause any odor when working. Pleasant SUNSHINE fragrance deodorizes as product works.

**United 577 ESA Urinal Line Renovator** features Earth Smart® Acid Technology:

- That dissolves calcium carbonate, uric salt, lime and scale two to three times faster than phosphoric acid products.
- That is much milder to steel, aluminum and skin than traditional acids used in similar products.
- That is phosphate-free and contains no VOCs.

**DIRECTIONS:**

For auto-flush units, turn off the water before using **United 577 ESA Urinal Line Renovator**.

For regular maintenance, treat each urinal with 6-8 ounces of **United 577 ESA Urinal Line Renovator** and let sit overnight.

Problematic fixtures may need more frequent treatments.

**DIRECCIONES:**

Para unidades automaticas, cierre el agua antes de usar el producto **United 577 ESA Urinal Line Renovator**.

Para mantenimiento de diario, limpie cada orina con 6-8 onzas de **United 577 ESA Urinal Line Renovator** y deje senter el liquido toda la noche.

Muebles problameticos requieren limpieza mas seguido.

Manufactured and Printed in U.S.A. 313
