SMART SOLVE® Drain Maintainer solves your drain maintenance issues with a patented, innovative formula specifically designed to cut through grease and slime, while providing added deodorizing benefit with its light, pine scent.

SMART SOLVE® is:

- Earth Smart® Certified
- Bio-Based - From Vegetable Extract
- NPE-Free • VOC-Free • Petroleum Distillate Free
- Non-Toxic, Non-Caustic, Non-Corrosive, Non-Acid
- Free of Chlorinated Hydrocarbons

DIRECTIONS:

When used as part of a weekly drain maintenance program, **United 602 SMART SOLVE® Drain Maintainer** will keep drains running free and sanitary. Weekly, add 3 to 4 ounces (89 to 118 ml) of **United 602** to each drain. Let stand for 5 to 10 minutes, and then flush drain with hot water for 2 to 3 minutes. If the drain is slow running, repeat the regular maintenance dose every two or three days, until the drain is free running.

After area is cleaned with **United 602 SMART SOLVE® Drain Maintainer** may be manually fed into drains. However, when buying this product in bulk packaging, utilize the programmable United A855 or A877 Peristaltic Metering Pumps with the optional A693BT Black Viton Tubing to automatically feed the product into the drains for the most efficient and effective treatment. For further recommendations contact your United Laboratories Representative.

HANDLING AND STORAGE: Keep containers tightly closed when not in use. Store in a cool, dry, well ventilated area away from sources of ignition. This product may solidify when stored below 35°F and may affect the performance. Allow to sit at room temperature before using product to ensure best product performance.

Manufactured and Sold Exclusively By:
UNITED LABORATORIES, INC.
320 37th Avenue • St. Charles, IL 60174
1-800-323-2594 • www.unitedlabsinc.com

PRECAUTIONS: Always use product in a well ventilated area. Avoid contact with eyes, skin and clothing. Wear gloves and safety glasses when handling or using this product. Wash thoroughly after handling. Do not ingest.

EMERGENCY AND FIRST AID PROCEDURES:

EYES: Immediately flush eyes with water for at least 15 minutes while holding eyelids open. If irritation persists, get medical attention.

SKIN: Wash with soap and plenty of water. If symptoms develop, seek medical attention. United 764 MICROMOUSSE Alcohol Free Hand Sanitizing Foam is recommended for removing any residual that may be on the skin.

INHALATION: Remove to fresh air. If symptoms develop, seek medical attention. If not breathing, give artificial respiration.

INGESTION: DO NOT induce vomiting. Get medical attention immediately. If vomiting occurs, have victim lean forward to reduce risk of aspiration.

An MSDS for this product is available through United's website, www.unitedlabsinc.com, providing 24 hour access. Please read the MSDS carefully and follow all directions when using or handling this product. Never reuse empty containers. Incompatible materials may adversely react.
