

CONTAINS SULFURIC ACID. DO NOT BREATHE FUMES. DO NOT GET IN EYES, ON SKIN, OR ON CLOTHING. USE ONLY WITH COMPLETE EYE PROTECTION. In case of contact, immediately flush skin or eyes with cool water for at least fifteen minutes and get medical attention. USE ONLY WITH GOOD VENTILATION.

**BIATRON**® quickly dissolves obstructions such as grease, hair, sanitary napkins, rags, sludge, soap, paper, coffee grounds in drains. Not recommended for use in sewer lines, catch basins, and large grease traps where fumes may accumulate. Removes lime scale and rust deposits from drains and traps. Will not harm septic tanks or pipes. Use weekly in all drains as preventive maintenance measure. WILL ATTACK ANYTHING ORGANIC. Do not spill on floor, wood, painted surfaces. Do not use on copper or other soft metal piping. Do not use on aluminum. Do not place container on porcelain surfaces, or permit product to come in contact with non-acid resistant surfaces. When using a measuring device, always rinse device thoroughly with cold water before and after use.

**DIRECTIONS FOR USE:** Remove all visible water from toilet, sinks and drains using a jackrabbit pump (United A130). ALWAYS POUR AT ARM'S LENGTH, SO AS TO KEEP FACE AWAY FROM DRAIN WHILE USING. Flush with cold water for 5 minutes. NEVER pour **BIATRON**® Liquid Drain Cleaner into visible water. Before using **BIATRON**® on a completely blocked drain, contact your United professional, or call 1-800-323-2594.

Add **BIATRON**® according to table below. If drain has strainer, remove it if possible before applying this product. Always add **BIATRON**® slowly to toilet bowls, as product generates heat which can cause cracking to porcelain as well as overflowing & splattering of product.

**ANGER**  **POISON**  
CONTAINS SULFURIC ACID (CAS # 7664-93-9)  
**DANGER—USE CAUTION**

	QUANTITY	TIME	FLUSH
Sink	2 ounces (59.1 mL)	15 min.	Cold water 5 min.
Toilet	12 ounces (354.9 mL)	15 min.	Cold water 5 min.
Small drain	16 ounces (473.2 mL)	15 min.	Cold water 5 min.

**FIRST AID MEASURES: EYES:** Flood with cool water for at least 15 minutes and get medical attention immediately. DO NOT wear contact lenses. **SKIN:** Flood with cool water for several minutes until all the product is washed away. Then cover area with moistened sodium bicarbonate. Seek medical attention immediately. **INHALATION:** Remove patient to fresh air immediately. If patient is not breathing, apply artificial respiration. Seek medical attention immediately. **INGESTION:** DO NOT induce vomiting. If conscious, immediately drink large amounts of water to reduce the concentration. Give milk of magnesia or whites of eggs beaten into water. Avoid carbonates or sulfates. Get medical attention immediately.

CONTIENE ACIDO SULFURICO (CAS # 7664-93-9)  
**PELIGRO—USE PRECAUTION**

	CANTIDAD	TIEMPO	DESAGUAR
Fregadero	2 onzas (59.1 mL)	15 minutos	Agua fria por 5 minutos
Escusado	12 onzas (354.9 mL)	15 minutos	Agua fria por 5 minutos
Coladera Chica	16 onzas (473.2 mL)	15 minutos	Agua fria por 5 minutos

**MODO DE USAR:** Saque toda la agua de los escusados, lavamanos, y coladeras. NUNCA vacíe o use este producto **BIATRON**® si se ve agua presente o una coladera completamente tapada. Agregue **BIATRON**® según las instrucciones siguientes: Si hay tapadera en la coladera, quítela antes de usar este producto. Vacíe el líquido lentamente. Cuando use este líquido en los escusados, hágalo cuidadosamente, porque este producto hace una reacción caliente y se puede quebrar la taza del escusado o derramar.

**STORAGE:** Avoid contamination of food in the application of the product. Keep bottle tightly closed when not in use; store in cool place, away from other chemical products. Always use safety closure furnished with original package.

NOT FOR HOUSEHOLD USE. FOR INDUSTRIAL USE. FOR USE ONLY BY EXPERIENCED MAINTENANCE PERSONNEL.

An MSDS for this product is available through United's website, [www.unitedlabsinc.com](http://www.unitedlabsinc.com), providing 24 hour access. Please read the MSDS carefully and follow all directions when using or handling this product. Never reuse empty containers. Incompatible materials may adversely react.
