#### CAUTION:

This product is corrosive to the eyes. It can cause skin irritation. Harmful if swallowed. Do not mix with other chemicals or cleaner as toxic fumes may be formed.

#### EMERGENCY AND FIRST AID PROCEDURES:

**EYES:** Flush with water for at least 15 minutes. Hold eyelids apart for 15 minutes to ensure thorough rinsing of the entire surface of the eye and lids with water. Call a physician or poison center.

**SKIN:** Wash with soap and water and remove contaminated clothing. If irritation persists, call a physician or poison center.

**INHALATION:** Remove to fresh air. Apply CPR, if needed. Call a physician or poison center immediately.

**INGESTION:** DO NOT induce vomiting. Call a physician or poison control center immediately. Drink large amounts of water. If vomiting occurs give fluids.

DO NOT USE THIS PRODUCT on galvanized, magnesium or similar surfaces. Always pre-test unknown surfaces for compatibility before using.

An MSDS for this product is available through United's website, [www.unitedlabsinc.com](http://www.unitedlabsinc.com), providing 24 hour access. Please read the MSDS carefully and follow all directions when using or handling this product. Never reuse empty containers. Incompatible materials may adversely react.
