The effective way to remove soil and caked up wax from corners, baseboards, ceramic wall tiles and floors.

**VERTI-STRIP** is a strong gel based stripper for quick effective removal of wax on baseboards.

#### DIRECTIONS FOR USE:

- Prior to use test the surface in an inconspicuous area for discoloring or possible damage to surface.
- **SHAKE CAN WELL AND FREQUENTLY.** Hold can upside down 6 inches from surface.
- Point valve away from eyes and apply a thin, even coat to cover all soil and wax build up.
- Let stand a few minutes, then wipe with a wet scrubbing sponge or cleaning pad. For heavy build-up let stand up to 10 minutes. Spray again and wipe off immediately as described above.
- Rinse surface thoroughly with cloth or sponge dampened with warm water.
- Do not apply to painted surfaces.
- Wipe off overspray immediately.

#### CAUTION:

Avoid inhaling spray mist. Do not spray near eyes or face. Wear chemical goggles. Avoid contact with skin and clothing. Wear rubber gloves when handling. **CONTENTS UNDER PRESSURE.** Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F. Use only as directed.

Contains Water (CAS# 7732-18-5), 2-Butoxy Ethanol (CAS# 111-76-2), Propane n-Butane (CAS# 68476-86-8), and Nonionic Surfactant (CAS# 127087-87-0).

**For Food Plants Use:** Avoid food contamination during use and storage. Do not use on food contact surfaces.
