391

BATCH

This environmentally preferable metal free floor finish contains no zinc or other heavy metals that can be harmful to waste treatment plants. The low odor finish has exceptional durability and flexibility and can be maintained with scrub and recoat procedures, spray buffing or high speed burnishing.

Contains 20% solids.

DIRECTIONS FOR USE:

Read entire label before using product.

Recommended for use on all types of resilient tile flooring and properly prepared hard surfaces.

RESTORATIVE MAINTENANCE: Completely remove all old wax, finish and soil from floor surface following floor stripper label like that of United 71 EARTH SMART® LOW ODOR STRIPPER. Floor surface must be clean, dry and free of residue before finish is applied. Apply finish in uniform, thin to medium coats using a clean synthetic finish mop or applicator system. Allow each coat to dry thoroughly before applying additional coats, usually 30-40 minutes.

PRECAUTIONARY STATEMENTS:

FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY. NOT FOR HOUSEHOLD USE OR RESALE.

CAUTION:

Eye irritant. May cause skin irritation. May cause respiratory irritation. Wear safety glasses and gloves. Wear protective footwear when applying to floor.

EMERGENCY AND FIRST AID PROCEDURES:

EYES: Immediately flush with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Get medical attention immediately.

NET CONTENTS:

SKIN: Flush contaminated skin with plenty of water. Consult a physician if irritation develops.

INHALATION: Remove exposed person to fresh air. If irritation persists, get medical attention immediately. If not breathing, give artificial respiration.

INGESTION: If this product is swallowed, DO NOT induce vomiting. If vomiting occurs, keep head below hip level to prevent aspiration of fluid into the lungs. If affected person is conscious, give plenty of water to drink. Get medical attention at once.

An MSDS for this product is available through United's website, www.unitedlabsinc.com, providing 24 hour access. Please read the MSDS carefully and follow all directions when using or handling this product. Never reuse empty containers. Incompatible materials may adversely react.
