L A B O R A T O R I E S

United 287

- USE UNITED 287 FOR STREAKLESS, SPOT-FREE CLEANING OF GLASS AND OTHER HARD SURFACES.
- NEW ADVANCED THICKENED FORMULA. CLINGS TO VERTICAL SERVICES.
- READY TO USE
- IDEAL FOR USE ON:
GLASS, MIRRORS, CERAMIC TILE, PLASTIC TILE, CHROME AND STAINLESS STEEL.

It is an excellent cleaner for cutting grease and soap scum. That means it can be used in lavatories to clean marble tops, chrome faucets and bowls. It is quick, easy, and the surface really sparkles.

Our glass cleaner is industrial strength. This means it makes your job easier and less expensive because you save labor cost. With other products, you wipe and wipe, which is hard work, time consuming and expensive. Now...all you do with **NEOFLECTION PLUS** is spray it on and wipe it once...an unpleasant job is completed quickly at less expense.

DIRECTIONS:

Apply **United 287** to area to be cleaned. Wipe clean and dry with paper towels or lint-free cloths. As cloths become soiled, replace with clean, dry cloths. This will insure spot-free, streakless cleaning.

United 287 contains special anti-stat compounds, so windows, mirrors and other surfaces repel dirt, lint and dust.

NEOFLECTION PLUS Glass Cleaner

**KEEP OUT OF REACH OF CHILDREN.
CAUTION
SEE SIDE PANEL FOR ADDITIONAL
PRECAUTIONARY STATEMENTS.**
