## DIRECTIONS:

**TOILETS AND URINALS:** Apply **PINK MARVEL** under the flush rim of the toilet. **PINK MARVEL** is formulated to cling to vertical surfaces and it remains in contact with stains and scale, penetrating and dissolving for easy removal of soil, hard water scale, and uric acid crystals. Pour several ounces of **PINK MARVEL** on dampened bowl mop and swab entire bowl — inside, outside, under rim, toilet seat, and cover. Let stand 2 - 3 minutes and then flush with clean water.

**TUBS, LAVATORIES:** Safe to use on acid-resistant porcelain fixtures such as toilets, lavatories, bath tubs, shower stalls, etc. Swab on surface with agitation, and then rinse immediately with clean water.

**CHROME, STAINLESS STEEL, DRINKING FOUNTAINS AND STERILIZERS:** Apply to surfaces to remove scale and soap scum. Use agitation for severe soil conditions. **PINK MARVEL** may be diluted with equal parts of water for lighter duty cleaning. Always rinse surfaces thoroughly with clean water.

**CERAMIC TILE AND GROUT:** **PINK MARVEL** will effectively clean and descale acid resistant ceramic tile on both walls and floors. For grout, apply full strength, agitate with a bristle brush, and then flush thoroughly with clean water. Do not apply to glazed ceramic tile as glazing may be removed. Continual use on marble may damage surface.

**DO NOT USE THIS PRODUCT ON:** Galvanized, magnesium or similar surfaces. Always pretest unknown surfaces for compatibility before using.

Manufactured and Printed in U.S.A.

# PINK MARVEL Cleaner Descaler

**KEEP OUT OF REACH OF CHILDREN.**

## CAUTION

**SEE SIDE PANEL FOR ADDITIONAL  
PRECAUTIONARY STATEMENTS.**

### PRECAUCION AL USUARIO:

*Si usted no puede leer Ingles, pregunte a alguien que le traduzca esta etiqueta para usted antes de uso.*

**Manufactured and Sold Exclusively By:**  
**UNITED LABORATORIES, INC.**  
320 37th Avenue • St. Charles, IL 60174  
1-800-323-2594 • [www.unitedlabsinc.com](http://www.unitedlabsinc.com)

## CAUTION:

Contains Phosphoric Acid (CAS # 7664-38-2). Harmful if swallowed. Avoid prolonged contact with skin.

## EMERGENCY AND FIRST AID PROCEDURES:

**EYES:** Flush with cool water for at least 15 minutes. Hold eyelids apart to ensure thorough rinsing of the entire surface of the eye and lids with water. Call a physician or poison center.

**SKIN:** Wash with soap and water and remove contaminated clothing. If irritation persists, call a physician or poison center.

**INHALATION:** Remove to fresh air. Apply artificial respiration if needed. Call a physician or poison center immediately.

**IF SWALLOWED:** DO NOT induce vomiting. Call a physician or poison center immediately. Drink large amounts of water. If vomiting occurs give fluids. Never give anything by mouth to an unconscious person.
