

UNITED

LABORATORIES

FRESH FLASH All-Purpose Cleaner, made with Fresh Air™ Technology, targets built-up dirt, grease, grime, smoke, food residue and soap scum providing excellent all-purpose performance.

Perfect for use on walls, tables, counters, non-wooden desks and other furniture, glass and mirrors. Use in washrooms, smoking rooms, class rooms, offices, hotel rooms, trash collection areas and more.

FRESH FLASH:

- Earth Smart® Certified;
- Bio-based;
- All zero's for HMIS numbers;
- Aromatherapy benefits with fresh peppermint fragrance.

DIRECTIONS:

Below are suggested dilution rates for most applications:

- Light Duty: 128:1
- Medium Duty: 32:1 to 64:1
- Heavy Duty: 10:1

Do not spray or mist **FRESH FLASH** at concentrations stronger than 32:1.

Cleaning effectiveness is affected by Temperature, Agitation, Concentration and Time (TACT). Adjust each to maximize your cleaning process.

SUGGESTIONS FOR USE WITH EQUIPMENT:

To simplify your operation and maximize your economy, we strongly suggest using **FRESH FLASH** with one of United's Blend Centers for automatic dilution.

Mop-and-Bucket: Use a 32:1 solution for mopping floors. To avoid excessive foaming, put the water in the bucket first.

DIRECTIONS: (continued)

Trigger Sprayer: For general spray-and-wipe cleaning, use a 64:1 solution. For windows, mirrors and other glass surfaces, use a 128:1 solution.

Hosemaster Sprayer: To clean large areas such as shower rooms and locker rooms, fill the bottle with straight product. The Hosemaster automatically dilutes to preset rates.

**EMERGENCY AND
FIRST AID PROCEDURES:**

EYES: Flush eyes with plenty of water while removing any contact lenses, then hold eyelids open and continue flushing 15 minutes. Get prompt medical attention if effects persist.

SKIN: Flush skin thoroughly with water.

INHALATION: Remove to fresh air. If symptoms develop, seek medical attention.

INGESTION: For conscious victim, rinse mouth with water, spit out rinse, and then drink a glassful of water. DO NOT induce vomiting unless directed by medical personnel. Get immediate medical attention.

An MSDS for this product is available through United's website, www.unitedlabsinc.com, providing 24 hour access. Please read the MSDS carefully and follow all directions when using or handling this product. Never reuse empty containers. Incompatible materials may adversely react.
