*Si usted no puede leer Ingles, pregunte a alguien que le traduzca esta etiqueta para usted antes de uso.*

**Manufactured and Sold Exclusively By:  
UNITED LABORATORIES, INC.  
320 37th Avenue • St. Charles, IL 60174  
1-800-323-2594 • www.unitedlabsinc.com**

**This is the ONE product you need for ALL of your all-purpose cleaning.**

- Single product has multiple uses...floors, walls, washrooms, counters, tables, non-wooden desks and other casual furniture, chalkboards and white boards, smoking lounges, windows and mirrors, trash areas—any hard surface.
- Specifically-targeted enzymes and tough surfactants cut through built-up dirt, grease, grime, smoke, food residue, and soap scum.
- Concentrated formula provides great economy—especially when used with one of United's Blend Centers.
- Ideal for most cleaning applications—use in trigger sprayer, mop bucket, floor machine or low pressure sprayer.

**Earth Smart® formulation means there are NO environmental or safety hazards.**

- No hazardous components, no VOCs, no NPEs, ranked zero in all HMIS numbers.
- Non-toxic formula assures safety for workers, customers, patients and students.
- May reduce or eliminate the need for reporting or compliance with numerous government regulations.
- Near neutral pH—will not dull, strip or streak finished floors.
- Patented Separation Technology helps wash water stay cleaner, longer.
- Beneficial to drain system maintenance and waste water treatment operations.
- Non-flammable.

### DIRECTIONS:

Below are suggested dilution rates for most applications:

- Light Duty: 128:1
- Medium Duty: 32:1 to 64:1
- Heavy Duty: 10:1

Do not spray or mist at concentrations stronger than 32:1.

Cleaning effectiveness is affected by Temperature, Agitation, Concentration and Time (TACT). Adjust each to maximize your cleaning process.

### DIRECTIONS: (continued)

**SUGGESTIONS FOR USE WITH EQUIPMENT:** To simplify your operation and maximize your economy, we strongly suggest using this product with one of United's Blend Centers for automatic dilution.

**Mop-and-Bucket:** Use a 32:1 solution for mopping floors. To avoid excessive foaming, put the water in the bucket first.

**Trigger Sprayer:** For general spray-and-wipe cleaning, use a 64:1 solution. For windows, mirrors and other glass surfaces, use a 128:1 solution.

**Hosemaster Sprayer:** To clean large areas such as shower rooms and locker rooms, fill the bottle with straight product. The Hosemaster automatically dilutes to preset rates.

### EMERGENCY AND FIRST AID PROCEDURES:

**EYES:** Flush with cool water for at least 15 minutes and call a physician or poison center.

**SKIN:** Wash with soap and water. If irritation persists, call a physician or poison center.

**IF MIST IS INHALED:** Remove patient to fresh air. If irritation persists, call a physician or poison center.

**IF SWALLOWED:** Induce vomiting only under the direction of a physician. Never give anything by mouth to an unconscious person. Call a physician or poison center immediately.

An MSDS for this product is available through United's website, [www.unitedlabsinc.com](http://www.unitedlabsinc.com), providing 24 hour access. Please read the MSDS carefully and follow all directions when using or handling this product. Never reuse empty containers. Incompatible materials may adversely react.
