

UNITED

LABORATORIES

- NO HAZARDOUS COMPONENTS
- VERY LOW VOLATILE ORGANIC COMPOUNDS (VOC)
- RANKED ZERO OR ONE IN ALL HMIS CATEGORIES
- VERY LOW ODOR
- CREATED FROM REFINED VEGETABLE OILS... AN AGRICULTURALLY PRODUCED, RENEWABLE RESOURCE FROM THE HEARTLAND
- HIGH SOLVENCY
- NON-TOXIC: NON-ACID, NON-CAUSTIC, NON-CHLORINATED...CONTAINS NO PETROLEUM DISTILLATES
- READILY BIODEGRADABLE
- REMOVES MASTIC FROM FLOORS
- REMOVES ROOFING CEMENT
- VERY HIGH FLASHPOINT. MAY BE HEATED TO IMPROVE CLEANING ABILITY.

HARVEST GOLD IS A SAFE, REVOLUTIONARY SOLVENT THAT MAKES MASTIC REMOVAL EASY.

IT WORKS IN MINUTES TO SAVE EXPENSIVE LABOR TIME.

DIRECTIONS:

After the tile has been fractured and removed, spray on **United 2003 HARVEST GOLD** using an A175 metal Chapin Sprayer. A mop or other mechanical device can be used to apply the product, but spraying is most labor efficient.

Allow the product to penetrate the mastic, and once softened (the mastic will be soft and loose, but not liquified), pick it up using an ice scraper, a squeegee, or a wet vacuum.

Coverage area will vary from 200 - 400 square feet per gallon, depending upon the application procedures and the amount of mastic. Heavily encrusted areas may require up to 20 minutes of penetration time.

United 2003

HARVEST GOLD

Water-Rinseable Mastic Remover

KEEP OUT OF REACH OF CHILDREN.

CAUTION

SEE SIDE PANEL FOR ADDITIONAL PRECAUTIONARY STATEMENTS.

PRECAUCION AL USARIO:

Manufactured and Sold Exclusively By:
UNITED LABORATORIES, INC.
320 37th Avenue • St. Charles, IL 60174
1-800-323-2594 • www.unitedlabsinc.com

DIRECTIONS: (continued)

Before re-tiling the floor, be sure to final strip the floor using United 366 GOOD NEWS Heavy Duty Cleaner/Degreaser at a 30:1 dilution. This will remove any residue and leave the floor ready to accept new floor covering.

CAUTION:

Avoid contact with eyes. Harmful if swallowed.

EMERGENCY AND FIRST AID PROCEDURES:

EYES: Flush with plenty of cool water for at least 15 minutes. Call a physician or poison center.

SKIN: Wash with soap and plenty of water. If irritation develops, call a physician or poison center.

INHALATION: Move victim to fresh air. Call a physician or poison center. If not breathing, give artificial respiration.

INGESTION: DO NOT induce vomiting. Call a physician or poison center immediately. If vomiting occurs have victim lean forward to reduce risk of aspiration.

For food plant and other industrial use, avoid contamination of food in the application and storage of the product. Do not use in food handling areas.

An MSDS for this product is available through United's website, www.unitedlabsinc.com, providing 24 hour access. Please read the MSDS carefully and follow all directions when using or handling this product. Never reuse empty containers. Incompatible materials may adversely react.
