

**MEDI-CRÈME** is ideal for doctors' and dentists' offices, convalescent and nursing homes, restaurants and food processing industries. **MEDI-CRÈME** may also be used in schools, banks, factories, churches, shower rooms, etc., wherever people are present for gentle hand cleansing with a broad spectrum antimicrobial kill rate.

**MEDI-CRÈME** is mild but effective in preventing cross contamination of common bacteria. **MEDI-CRÈME's** special emollients prevent chapping even when hands are washed many times each day.

**DIRECTIONS:**

Wet hands and forearms. Apply a palmful of **MEDI-CRÈME**. Scrub thoroughly for at least 30 seconds. Rinse with water and dry hands.

**EMERGENCY AND FIRST AID PROCEDURES:**

**EYES:** Flush with plenty of cool water for at least 15 minutes. If irritation persists, call a physician or poison center.

**IF SWALLOWED:** Rinse mouth and drink 1 or 2 glasses of water. Never give anything by mouth to an unconscious person. DO NOT induce vomiting. Call a physician or poison center immediately.

An MSDS for this product has been provided. Please read it carefully and follow all instructions when using or handling this product. Never reuse empty containers. Incompatible materials may adversely react.
