L A B O R A T O R I E S

SAFELY REMOVES:

- Paint
- Moly
- Tar
- Grease
- Carbons
- Grime
- Ink
- Putty
- Much More.

United 558 is a powerful citrus hand cleaner with scrubbing agents. It will liquefy grease immediately, and leave no oily or sticky residue. Once applied **United 558** will clean with or without water.

Contains Lanolin and other emollients which will protect hands from drying out. Packaged in an easy to use flat-top one gallon container.

DIRECTIONS FOR USE:

Insert the feed tube of the United A141 Ounce-A-Matic Dispenser into the gallon container and tighten threads onto the opening to seal closed. Depress pump to dispense product.

Use with or without water.

To use with water, wet hands before using. Squeeze a small amount into hand. Rub hands together briskly being sure to cover hands completely. Work hand cleaner into areas between fingers and under fingernails. Rinse with water and wipe off with rag or towel.

To use without water, follow directions above. Wipe off with towel or rag. A second application may be necessary for any hard to clean soils.

Printed in U.S.A.
