**DIRECTIONS:**

Lightly rub surface with textured side of towel until oxidation and contaminants are absorbed into cloth. Buff with clean dry cloth shortly after application. Do not let polish dry completely before buffing. Always test polish on hidden area before use. Do not use on lacquered surfaces.

**WARNING:**

Do not taste or swallow. Avoid contact with eyes, skin and clothing. Wear rubber gloves and safety glasses. Wash thoroughly after handling. Keep package tightly sealed when not in use. Use only with adequate ventilation. Keep away from sources of ignition. Do not smoke while using.

Contains C10-13 Isoparaffin (Cas # 68551-17-7), Water (CAS # 7732-18-5), Alumina (CAS # 1344-28-1), Tall oil acid (CAS # 61790-12-3) and Ammonia (CAS # 1336-21-6).

**EMERGENCY AND FIRST AID  
PROCEDURES:**

**EYES:** Flush with cool water for at least 15 minutes lifting eyelids to insure complete removal. Remove contact lenses if appropriate, and continue flushing. See a physician immediately.

**SKIN:** Flush with cool water. Wash thoroughly with soap and water. If irritation persists, call a physician or poison center.

**INHALATION:** If symptoms develop, remove to fresh air. If symptoms persist, call a physician or poison center.

**IF SWALLOWED:** DO NOT induce vomiting. Rinse mouth with water, then drink one or two glasses of water. Obtain medical attention. Never give anything by mouth if victim is unconscious or convulsing.

An MSDS for this product has been provided. Please read it carefully and follow all instructions when using or handling this product. Never reuse empty containers. Incompatible materials may adversely react.
