DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling. Read all directions before using this product.

Remove towelette and unfold fully. For maximum protection, wipe evenly and completely over all exposed skin. Do not apply near eyes and mouth, and apply sparingly around ears. Each towelette will cover the face and arms or an equivalent size area. Apply only to exposed skin, do not use under clothing. Never apply over cuts, wounds, or irritated skin. Do not allow children to handle this product, and do not apply to children's hands. When using on children, apply to your own hands first and then apply it to the child. Avoid overexposure; frequent reapplication and saturation are unnecessary. Use just enough repellent to cover exposed skin. Wash hands after treatment to avoid incidental contact. After returning indoors, wash treated skin with soap and water or bathe. Remove and wash treated clothing before wearing it again.

Do not apply on or near, acetate, rayon, spandex or other synthetics other than nylon, furniture plastics, leather, watch crystals and painted or varnished surfaces including automobiles.

PRECAUTIONARY STATEMENT

Hazards To Humans & Domestic Animals

WARNING. Flammable liquid and vapor. Causes eye irritation. May be harmful if swallowed. Avoid contact with eyes and lips. Do not apply to excessively sunburned or damaged skin. May cause skin reaction in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin, and call your local poison control center.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

Have this product with you when calling a poison control center or doctor, or going for treatment.

PHYSICAL OR CHEMICAL HAZARDS

Flammable liquid and vapor. Do not use or store near heat or open flame. Keep treated surfaces away from fire or flame until dry.

STORAGE AND DISPOSAL

STORAGE: Store in a cool dry area away from heat or open flame in an area inaccessible to children.

DISPOSAL: If empty: Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
